Vision

We equip children and youth for a lifetime of worship and service to the church and community through Christ-centered repertoire that both affirms Anabaptist beliefs and reflects the musical diversity of the church around the world and across time.

"My favorite part of MCCL is getting to work with other talented individuals who share the same goal of creating *beautiful* choral music."

Thank you for being a part of shaping the lives of MCCL singers!

**Singers pay tuition, which covers about one-third of the cost for each singer's choral training.*

History

Founded in 1998, MCCL began as a choir of 31 members under artistic director Patricia Strong Myers. MCCL now offers five programs for over 160 children and youth in kindergarten through grade 12. Singers represent nearly 45 congregations, 55 schools, and 13 denominations. Weekly rehearsals during the school year prepare singers to present a Christmas and spring concert series. Annual local tour days and summer tour provide opportunity for personal growth and ministry. In addition, the choirs collaborate with arts organizations, participate in benefit concerts, and share music with schools and community organizations. MCCL is passionate about providing a place for young singers to thrive personally and musically as they learn to work together to create beautiful choral unity that blesses the community.
