

Partnership Opportunities

Be a meaningful part of our chorus of support!

**We honor and celebrate music as a gift from God
by creating exceptional choral music, fostering community, and nurturing character.**

Mission & Vision

Training children and youth to glorify Jesus Christ through excellent choral singing. We equip children and youth for a lifetime of worship and service to the church and community through Christ-centered repertoire that both affirms Anabaptist beliefs and reflects the musical diversity of the church around the world and across time.

Who We Are

MCCL is composed of singers in three auditioned choirs and two classes:

Carol Choir	Grades 2–5	Prelude Music	Kindergarten—grade 1
Concert Choir	Grades 6–8	Choristers	Grades 2–8
Chamber Choir	Grades 9–12		

Join MCCL as an annual partner and help us sustain our mission of *singing* with excellence, *glorifying* Jesus Christ, and *developing* leaders who serve the church and community.

Let your giving *transform* lives through *music*!

“The best part of MCCL is being able to *grow* musically and spiritually with my friends and peers and to make deeper connections with those around me.”

“I have gained more *confidence* and I love learning songs in different languages.”

Our singers work together to **create beautiful harmonies**, **grow as leaders**, and **strengthen their faith** by learning songs that **glorify God** from around the world and across time.

"My favorite part of MCCL is getting to work with other talented individuals who share the same goal of creating *beautiful* choral music."

Thank you for being a part of shaping the lives of MCCL singers!

**Singers pay tuition & participate in two fundraisers which covers about half of the cost for each singer's choral training.*

History

Founded in 1998, MCCL began as a choir of 31 members under artistic director Patricia Strong Myers. MCCL now offers five programs for over 150 children and youth in kindergarten through grade 12. Singers represent nearly 50 congregations, 40 schools, and 15 denominations.

Weekly rehearsals during the school year prepare singers to present a Christmas and spring concert series. Annual local tour days and summer tour provide opportunities for service beyond performance. In addition, the choirs collaborate with arts organizations, participate in benefit concerts, and share music with schools, retirement homes, and local community organizations. MCCL is passionate about providing a place for young singers to thrive personally and musically as they learn to work together with peers to create beautiful choral unity that blesses and serves the community.
